## Which funds are closing?

Share Class Name	ISIN
VanEck Vectors™ Morningstar North America Equal Weight UCITS ETF (EUR) Class A	NL0011376074

## Why and how was this fund selected?

After careful consideration following a review of the current product range, taking into account the assets under management and the long-term interests of investors, the Directors have resolved that it is in the best interest of the Fund and their investors to close the VanEck Vectors™ Morningstar North America Equal Weight UCITS ETF. There has been very little market interest in the Fund since its inception in 2015 and its assets under management have not exceeded €15mn at any point in time.

## What will be the last day of trading?

The last day of trading of the Shares in the Fund on each of the Relevant Exchanges is 17<sup>th</sup> January 2022, (the "Final Exchange Trading Date").

Furthermore, the final applications for subscriptions and redemptions from Authorised Participants in respect of the Final Dealing Date (18<sup>th</sup> January 2022) must be received no later than the cut-off times outlined in the Supplement for the Fund on 18<sup>th</sup> January 2022.

## Can I sell my shares now?

Yes, investors can sell their shares before or on the Final Exchange Trading Date (17<sup>th</sup> January 2022).

## What if I do not sell my shares before the Final Exchange Trading Date?

Investors who have not sold their Shares on or before the Final Exchange Trading Date, or have not validly applied for redemption of their Shares in accordance with the terms of the Prospectus, on or before the Final Dealing Date, and, in each case, who are investors in the Fund as at 25<sup>th</sup> January 2022 (the "Record Date"), shall have their Shares compulsorily redeemed on 25<sup>th</sup> January 2022 (the "Compulsory Redemption Date") which will be the day the final net asset value (the "Final NAV") is calculated.

## When will the proceeds of the Compulsory redemption be distributed?

The proceeds of the Compulsory Redemption shall be distributed on or around 1<sup>st</sup> February 2022 (the "Settlement Date") to such person listed in the Company's register of Shareholders as the holder of the Shares of the Fund as at the Record Date.

Please note that investors buying and selling Shares through a broker or market maker/Authorised Participant and/or investors who hold Shares through a nominee and/or clearing agent, may not appear in the Company's register of

Shareholders. Such investors should deal directly with the relevant broker, market maker/Authorised Participant, nominee or clearing agent (as relevant) in respect of their investment.

**What if I do not wish to be automatically redeemed?**

If you do not wish to be automatically redeemed on the Compulsory Redemption Date, you can (if you are an Authorised Participant) redeem your Shares in the Fund at any time up to and including the Final Dealing Date in accordance with the Fund's normal redemption procedures as set out in the Prospectus.

However, if a redemption request does not settle by the Record Date, such Shares will be compulsorily redeemed against the Final NAV Value as of the Compulsory Redemption Date as part of the Fund's closure process as outlined above.

**Does VanEck offer any similar ETFs?**

VanEck offers an ETF with similar geographic exposure, the VanEck Vectors™ Morningstar US Wide Moat UCITS ETF. It invests into US equities with long-term competitive advantages and attractive valuations based on Morningstar estimates. Starting from the 20<sup>th</sup> December, the fund will change its underlying index to incorporate Sustainability selection criteria and will be called VanEck Vectors™ Morningstar US Sustainable Wide Moat UCITS ETF. If you would like to receive further information, please contact VanEck using the details set out below. Please note that the VanEck Vectors™ Morningstar US Wide Moat UCITS ETF has a higher management fee of 0.49%, compared to 0.2% for the discontinued Fund. It is recommended that Investors seek their own advice with regards to suitability of an investment into the VanEck Vectors™ Morningstar US Wide Moat UCITS ETF.

**How should this be treated for tax purposes?**

Investors are advised to consult their own professional advisers as to the tax implications of the Compulsory Redemption and closure of the Fund under the laws of the countries of their nationality, residence, domicile or incorporation.

**What about the costs of closure?**

The additional costs incurred in respect of closing the Fund will be paid by VanEck Asset Management B.V. The Fund's normal operating costs and transaction costs together with any Cash Redemption Fees will continue to be borne by the Fund and its respective Shareholders in accordance with the terms of the Supplement for the Fund.

**How can I contact VanEck?**

If you have any queries concerning the matters outlined in this FAQs page, please contact your local agent, or (if none) VanEck at [EMESales@vaneck.com](mailto:EMESales@vaneck.com).

## About VanEck

VanEck is a privately held global asset management firm founded in 1955. VanEck offers forward-looking, intelligently designed strategies that seek to strengthen a long-term investment portfolio to individual investors and institutions across a range of vehicles including mutual funds (retail and institutional shares), pooled institutional funds, variable insurance portfolios, sub-advisory portfolios, separate accounts, exchange traded funds ("ETFs") and UCITS funds.

VanEck's approach is to think outside the confines of financial markets as they exist today and identify what major historical trends – e.g. geopolitical and technological – will change the opportunity set of these markets. Being one of the first to offer investors access to international markets in 1955 set the tone for the Firm's drive to identify and define investment trends. VanEck manages both active and ETF portfolios.

The Firm's index-based VanEck ETFs are purpose-built, aimed at either providing exposure to asset classes that are underrepresented in investor portfolios or offering a different approach to established investment categories. VanEck has been offering its ETFs since 2006 when the Firm launched the first gold-mining ETF in the U.S. Today, the Firm offers over 100 ETFs globally spanning regional equity, global resources equity, sustainable equity, strategic equity, equity income, emerging markets, industry, government bonds, corporate bonds and digital assets.

The Firm's headquarters is in New York, NY and has international offices in Switzerland, Netherlands, Germany, Australia, Singapore and China.
