

Position: Cybersecurity Group Intern

Legal Entity: IT

Business Unit(s): IT

Location: New York

Department: IT

Reporting to: CISO

FLSA Status (US Staff only): Non Exempt Full Time Intern

Summary: VanEck is a privately held global asset management firm founded in 1955. We develop forward-looking, intelligently designed, active and ETF strategies that strengthen long-term portfolios. We will provide qualified individuals with outstanding education and growth opportunities. If you are a high-energy individual with a strong work ethic, excellent team skills, and outstanding communication skills, we would like to speak with you.

VanEck's Summer Intern Program includes exposure across the firm through educational, mentorship, and networking events. As an Intern, you will also be exposed to the firm's senior management, gain an understanding of the financial services industry and learn critical business skills. Our internship program will build more than just your resume — it will challenge your knowledge, build your network and drive your career path. Our program spans 10 weeks and runs from June 3 – August 9. If you are looking to gain valuable hands-on experience while working with talented individuals, apply now!

Essential Duties and Responsibilities:

Includes the following, other duties may be assigned as needed:

- Assisting with Technology Risk Assessment and Processing
- Participating in Information Security Governance
- Supporting with day-to-day Security Operations
- Organizing and processing Information Security Documentation

To successfully accomplish the internship objectives, an individual must be able to perform each essential duty satisfactorily.
