### Investment Approach

The Fund provides all-cap exposure, allowing access to growing companies and sectors representing the future of emerging markets. Over the last 5 years, the Fund’s focus on small- and mid-cap companies has provided a boost to relative performance compared to the benchmark. The Fund typically exhibits high active share, stemming from its differentiated exposure with a focus on small- and mid-cap growth companies that are trading at attractive valuations.

### All-Cap Focus Provides Differentiated Exposure
